

Heartbreak Hotel

Performed by: Albert King

Since my baby left me
I found a new place to dwell
It's down at the end of Lonely Street
And that's Heartbreak Hotel

I'll be so lonely baby,
I'll be so lonely,
I'll be so lonely I could die.

Though it's always crowded,
You still can find some room
For broken hearted people
To cry there in the gloom

They'll be so lonely
They'll be so lonely baby,
They're so lonely they could die.

Bell hop's tears a flowin',
The desk clerk's dressed in black.
They've been so long on Lonely Street
They'll never, never be back

They'll be so lonely
They'll be so lonely, baby
You know they're lonely they could die.

If your baby leaves you,
You've have a tale to tell.
Just take a walk down Lonely Street
To Heartbreak Hotel

You'll be so lonely,
You'll be lonely, baby
You'll be so lonely you could die.

(Instrumental – 12 bars)

Although it's always crowded,
You still can find some room.
For broken hearted lovers
To cry there in the gloom

They'll be so lonely
They'll so lonely, baby
They'll be so lonely they could die

(Instrumental Break)
