

## Little Red Rooster

Performed by: Otis Rush

*(Instrumental Opening – 16 bars)*

I've got a little red rooster, too lazy to crow for day  
I've got a little red rooster, too lazy to crow for day  
He keeps everything in the barnyard, he upsets it every way

You know, he keeps all the hens fighting among themselves  
I said, he keeps all the hens fighting among themselves  
He don't want 'em in the barnyard  
Laying eggs for nobody else

You know the, the dogs begin to bark,  
And the hounds begin to howl  
The dogs begin to bark, the hounds begin to howl  
You better watch out all you kinfolks,  
My little red rooster's on the prowl

*(Instrumental – 24 bars)*

I said, he keeps all the hens fighting among themselves  
I said, he keeps all the hens fighting among themselves  
He don't want 'em in the barnyard  
Laying eggs for nobody else

Now, if you see my red rooster, send him home  
Now, if you see my red rooster, send him home  
It ain't been no peace in the barnyard  
Since my little red rooster been gone
